## Camp Columba's mission is...

**"To demonstrate God's love to all who come on camp."**

This is accomplished by designing camps for the development and encouragement of the physical, mental, social and spiritual aspect of each person.

Our camp programmes are created to engage different age groups, cultural groups and genders.

# What way can your church...

# Partner With This Local Mission!

# Why 'Adopt-A-Camp'?

1- We have a huge local mission field HERE in Southland/Otago! We reach up to 110 children a week with the majority of them coming from non-churched families! On average about 40 make commitments to Christ each camp and we have seen amazing growth in people of all ages.

2- Growing leadership in the next generation is part of our mission. Equipping, encouraging and giving teenagers the opportunity to put into practice what they have learned; to 'walk the walk' and 'talk the talk.'

3- We run the camps at the lowest possible cost so more parents can afford to send their kids. This means we are very tight money wise and everything we get goes to covering costs or improving the camps activities.

4- Church partnership is such an integral & necessary part of this ministry. We could not/should not do it without your backing. Partner with this ministry as we participate in what God is doing, and lets continue to transform lives in our community for His glory.

# Different ways to 'Adopt-A-Camp'

## Sponsoring A Child

- By giving to our sponsorship fund or
- Finding kids to go to camp and paying for them

## Monetary Donation

- Towards postage & paper costs
- Food (costs between \$500 and \$5000 to feed a camp depending on its size)
- Leader thank yous (we give senior leaders a small monetary thank you)
- Activity costs

## Food

- Giving potatoes etc (we can provide a food list although some things we can buy cheaper in bulk)
- Or money towards the food cost

## Prayer

- Prayer is the most important part and we'd love for the church as a body to be committed to praying for a camp, as it approaches, during and also after a camp. We can give you weekly prayer needs (if you would like this) before, during and after camp.

## People

- Always looking for people to help as camp parents, cooks/assisting in the kitchen, first aiders, camp grandparents, leaders and other helpers.
- Someone at your church to advertise upcoming camps & give info/ update on how your adopted camp is doing.

1 Cor 12:12 "The body is a unit, though it is made up of many parts... they form one body."  
What part do you play?

# Your church?

Each church is different and can support in a diverse range of ways according to the strengths of their church. Adopting a camp is about adopting a camp in a way that your church can.

If that's adopting one area and praying awesome! Some churches can afford to cover the food costs; some can afford to cover the postage costs. Whatever it is partnering and prayer are the most important!

Would you consider adopting one camp annually? In what way can your church partner with us?

If you think your church could partner with us in one of the ways listed or even any other way it would be great to hear from you to talk about it further.
